**Walter - SEBA JV** is a Native Hawaiian Organization 8(a) Joint Venture designated as a Prime Contractor, formed between Walter Environmental & Engineering Group, Inc., (an NHO 8(a), and SEBA Professional Services, LLC, an SBA recognized Woman Owned Small Business and graduated 8(a).

Our team is made up of industry experts in various areas including Project Management, Financial Consulting, Administrative Staffing, Healthcare Staffing, Engineering, Building Inspection, Environmental Consulting, Logistics, Construction and Remediation.

Our ability to meet our Client's needs with cutting edge technologies combined with solid business practices supports our client to meet all of their objectives while maintaining a lean and cost-effective approach toward project completion. Whatever the task assigned, we make the goals of our client our goals to ensure successful project completion.

### About 'Aumakua Hawai'i NHO

Polynesians practiced a nature-oriented belief system for thousands of years. Our deities, 'Aumakua (guardians), appeared in any plant or animal form including sharks, hawks, lizards, and turtles. "Aumakua Hawai'i takes on the idea of 'Aumakua and is committed to enriching the lives of Native Hawaiians by providing the necessary tools, resources, and opportunities to thrive through our charitable organization.
